On 10/23/06 I was contacted by the Virginia State Police in reference to us interviewing a Isara SERENE. They stated that she had contacted them about her three kids being missing and that the ex-husband a David BUSH, had the Richmond Police Department get the kids for him. Virginia State Police wanted me to get the information required in filling a missing person report. They stated that they usually make the person report the incident in person but due to the circumstances in this case that they would make an exception. They would file the missing person report based on my interview with SERENE.

On 10/23/06 at 2100Hrs I started interviewing Isara Isabella SERENE, DOB 06/21/75 of 5705 Park Ave Richmond Va. 23226, Phone # (804) 647-8198 at the state police station in Montoursville. SERENE stated that on 10/11/06 that her three kids were taken out of there schools by detectives Joel LAWSON, and a Mrs. EDMONDS of the Richmond Police Department. Her three kids a Stefano Ricochet SERENE, W/N/M-13 DOB 08/27/93, SSN# 698013835, Dominik Eliezer SERENE, W/N/M-6 DOB 11/01/00, SSN# 698014057 and a Tullia Amelie SERENE, W/N/F-4 DOB 06/17/02, SSN# 698014199, where all turned over to there father based on a court document from Luzerne County PA. SERENE stated that she reported the kids as missing to Richmond Va. Police Department and they would not help her. She stated that she then contacted the Virginia State Police and they told her that she had to figure out what court paper was issued from Luzerne County, before they could do anything. SERENE on 10/23/06 went to the Luzerne County Court house and retained new paper work stating that the original document that the Richmond Police Department had when they took the kids out of school should have never been issued from the Luzerne County Court House.

## 25. OFFICER'S SIGNATURE/NAME/BADGE NUMBER

MCDERMOTT / 8751

## 26. SUPERVISOR'S NAME/BADGE NUMBER

## 27. PREVIOUS CONTACT

The New order dated 10/23/06 states that the order issued on 06/23/06 be Vacated by the new order, based on the fact that Luzerne County had no jurisdictional coverage on the matter. Also that there were other orders out of Tioga County, and the fact that Isara SERENE was never served with the papers prior to them taking custody of her kids.

On 10/23/06 I contacted the Virginia State Police and spoke with a Sgt. Mike McCANN, Phone # 9804)674-2026, and he related that he would enter the kids based on my interview with SERENE. Then it was found out that the location that the kids were taken from was actually covered by Richmond City Police. McCANN stated that he had to talk with his supervisors on what should be done with this incident. McCANN then called me back and stated that the information was going up through the chain of command and that he was waiting to hear back from the Virginia state Police headquarters. McCANN then called back and stated that I would be getting a call from the Richmond Police Department.

On 10/24/06 at 035 Hrs I received a call from a Captain Mark SEGUL from the Richmond Police Department. I explained to SEGUL of the situation that was going on. SEGUL stated that it was not a missing persons report and to do with it what I wanted. I then informed SEGUL that it was a missing persons report and that I could not do the report that they had to due to the fact that the kids were taken out of his coverage area. I also informed SEGUL that his two detectives aided in this due to the fact that they took the kids out of the schools and turned them over to the father. SEGUL stated that they had court papers, and then I informed him that as of 10/23/06 it was found that the court papers should have never been issued on several different reasons. I then faxed SEGUL the new court document from Luzerne County. SEGUL then contacted me back and stated that he would take the missing persons report. SEGUL then spoke with SERENE and got all the information needed in conducting the investigation. SEGUL faxed over the paperwork and I had SERENE sign them and the paperwork was faxed back to SEGUL. I then called SEGUL at Phone # (804)646-6456 and confirmed that he received all the paperwork. SEGUL stated that he would have the kids entered into NCIC.

I then gave SEGUL the phone # for the Luzerne County Court house (570)819-4923, and the phone # for Newtown Police Department, (215)504-2215.

On 10/24/06 I spoke with Sergeant TRIPP PSP Mansfield station commander and faxed all information I had to him. He stated that he knew of the supposed actor David BUSH. He stated he would do some calling around and see what he could find out. I then received a call back from SGT. TRIPP and he informed me that there was no active custody paperwork that the PFA expired on 01/01/06. He also informed me that he made contact with Detective BUSH from the Newtown Police Department and that BUSH related that he knew where the kids were but he would not tell TRIPP. Due to the fact that there is no active custody order in place, the kids were taken out of NCIC by Richmond Va.

On 10/24/06 at 1145Hrs I contacted Isara Isabelle SERENE via phone and informed her that there was not anything that we could do until there was a custody order in place. She was informed to get a hold of Tioga County and have her case transferred down to Richmond Va. And that once she got back to Richmond to get a custody order.

Also it should be noted that the Detective BUSH from the Newtown Police Department was contacted by SGT. TRIPP via phone. BUSH stated that he knew where the kids were but he was not going to tell anyone. It should also be noted that Detective BUSH also entered the three children into NCIC prior to this incident without an ongoing investigation, due to his jurisdiction. SGT. TRIPP called him on this as well and BUSH stated that it was none of our business.

No further action taken or needed.
